## EXPRESSION OF INTEREST FORM - INDUSTRY

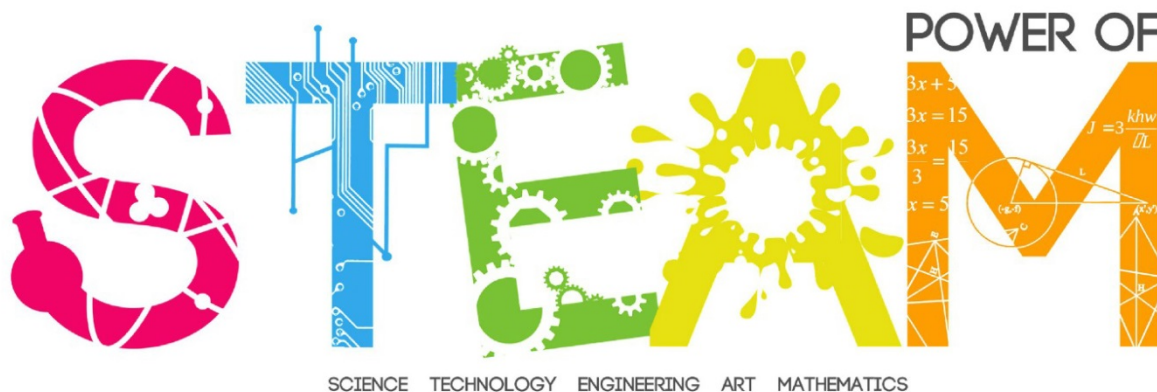

The Maker Fest in 2018 at South West TAFE's Warrnambool campus was a huge success, attracting about 800 students from 16 schools across the region.

**We hope to double those numbers when the event returns on Friday September 4th, 2020.**

The Maker Fest gives students, local business, industry, artists and community groups the opportunity to showcase their Science, Technology, Engineering, Arts & Mathematics (STEAM) creations, activities and innovations. There were 28 exhibits ranging from robots to home-made rollercoasters at the last event.

***We welcome every member of the community interested in Science, Technology, Engineering, Arts and Mathematics (STEAM) and involved in Maker Education.***
