Course Overview

This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.

Introduction

Experience the innovative practice of printmaking through mono and linocut printing by creating highly original and unique works on paper.

What will I Learn?

Learn about the fundamentals of printmaking by exploring the soft velvety lines of Transfer mono prints, the expressive and textural effects achieved in Subtractive mono printing and the endless possibilities through layering in Experimental mono printing.

The bold and graphic nature of Linocut printing will also be explored in this course as students are encouraged to develop and carve an original design that will be blind embossed, enhanced by china colle, subtly hand coloured using inks and ghost printed.

Course Requirements

This section gives you an overview of entry requirements, course units and electives, skills recognition, and assessment criteria.
