

Trenching and Shoring Skill Set

COURSE CODE	CONISS021
LOCATIONS	Glenormiston
STUDY MODE	On Campus
Length	Two days
Commencement	Apply any time
Timetable	Day one will be theory-based. Day two will cover training and assessment in practical trenching activities.

Course Overview

This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.

Introduction

This course is designed to give participants the skills and knowledge to work safely in and around trenches and excavations. The two-day course will include a combination of theory and practical-based training to ensure participants have a thorough understanding of the compliance codes in relation to excavation and best practice on the worksite. It will include undertaking a risk assessment and the installation and safe use of trench shields.

This course is ideal for people already working in the civil construction industry who wish to further their skills.

What will I Learn?

This course will be delivered over a two-day period. The first day will be theory-based and will include relevant legislation and safety awareness relevant to safe trenching practices. You will also carry out risk assessments and complete all written assessments.

Day two will cover training and assessment in practical trenching activities including the safe installation of a trench shield.

On completion of this, you will gain skills in the areas of:

- Supporting plant operations
- Installing trench support
- Conducting local risk control
- Removal of shoring

Course Outcomes and Career Opportunities

Upon successful completion, you will receive a Statement of Attainment for nationally accredited units listed in the units offered section below.

Fees

This section gives you an overview of course fees, subsidies, and how they can be paid.

Course Fees

Here's an outline of fees and costs associated with your course.

Your fees each year can be made up of 3 different elements. Everyone has different circumstances that can affect what you pay and how much you pay. :

1. Tuition fees - charged as an hourly rate that varies from course to course. A large portion of the tuition is subsidised by the Victorian Government for eligible students.
2. Resource and/or materials costs - covers the cost of materials and other incidentals. This fee will vary according to the course being undertaken.
3. Booklist items - such as textbooks, equipment and stationery recommended for your course

Tuition fees

There are 4 different rates of tuition fees. Only one will apply to you (depending on your eligibility and circumstances).

1. **Government Subsidised Fee** - you could be eligible for a government-subsidised rate under the Skills First funding depending on your age, educational history, and citizenship or residency status. If you are eligible, the government will contribute to the cost of your training.

4. **Full fee** - If you are not eligible for a Skills First government-subsidised place, exemption, concession or are enrolling in a course that isn't government-subsidised, you may be required to pay the full fee rate.

FIND OUT MORE ABOUT FEES AND ELIGIBILITY

The fees listed below are indicative only. The course fees published are subject to change given individual circumstances at enrolment. Course fee funding is made available to eligible individuals by the Victorian and Commonwealth Governments. If funding is utilised, this may affect opportunities to access additional funding in the future. An accurate quote for this course will be provided during the enrolment process.

Course fees by student type	Indicative Course Fee
Government subsidised rate (if eligible)	\$440.00
Concession rate	\$90.00
Full fee rate (if not eligible for govt subsidy)	\$925.00
Additional course fees	Indicative Course Fee
Course consumable/materials (approximate)	\$0.00
