Course Overview

This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.

Introduction

Continuing Professional Development (CPD) is the means by which electrical licence holders can maintain, improve, broaden and enhance their knowledge skills and competence.

The Skills Maintenance training will be specific to every class of licence, and will be mandatory for every electrical licence held.

This course provides the mandated professional development required by Energy Safe Victoria before renewal of your Electrical Licence.

What will I Learn?

- your responsibilities
- major changes, acts, regulations and standards
- safe isolation
- mandatory testing
