## Course Overview

*This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.*

### Study from home during COVID-19 restrictions

Whilst we pride ourselves on our hands-on training, we have had to adjust most of our courses for study from home and remote learning during the COVID-19 restrictions. This means courses will be delivered using a range of methods including online learning, virtual classrooms, workbooks and direct contact with your teacher.

Given the government restrictions that are now in place to reduce the spread of coronavirus in Australia, we expect this new model of study will continue until the government makes changes to these restrictions.

## Introduction

VCAL Intermediate provides students a chance to experience the training and qualification options that best suit their needs and interests. It is directed towards young people who want to learn in a supported yet relaxed environment away from mainstream schooling. VCAL provides practical experiences as well as allowing students to sample a range careers across various local industries, to help determine their interests and strengths for their chosen career. This program is targeted at students aged between 15-20 years that are early school leavers, home schooled, students disengaged or at risk of disengaging from formal schooling, unemployed youth, or those seeking pre-apprenticeships.

The VCAL program and the teaching of it at South West TAFE supports and promotes the principles and practices of Australian democracy through a commitment to elected government, the rules of law, the values of openness and tolerance, equal opportunity, and freedom of speech.

## What will I Learn?

Intermediate VCAL students will learn a range of skills through teacher guided, project-based, hands-on learning including literacy, numeracy, personal development and work-related skills.

They will investigate and experience a number of different industries and job pathways in their chosen area. Intermediate VCAL students will continue to develop the skills required for them to remain engaged in education. While enrolled in this course, students also have the option of completing a work placement, which will be supported by South West TAFE.

## Course Outcomes and Career Opportunities

Intermediate VCAL is a Year 11, Senior Secondary equivalent qualification. The skills and knowledge gained through this course provide students with a range of opportunities. These opportunities include transitioning into Senior VCAL (Year 12 equivalent qualification), moving into full-time

## Pathways

Through acquired skills, graduates may pursue a number of pathways. These include Senior VCAL (Year 12 equivalent) Certificate II and III courses, apprenticeships, traineeships or full-time work.
