Certificate IV in Plumbing and Services

Course Overview
This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.

Study from home during COVID-19 restrictions
Whilst we pride ourselves on our hands-on training, we have had to adjust most of our courses for study from home and remote learning during the COVID-19 restrictions. This means courses will be delivered using a range of methods including online learning, virtual classrooms, workbooks and direct contact with your teacher.

Given the government restrictions that are now in place to reduce the spread of coronavirus in Australia, we expect this new model of study will continue until the government makes changes to these restrictions.

Introduction
Achieve your goal of becoming a licensed plumber by enrolling in this course. Providing plumbers with training in the following areas: drainage, water supply, sanitary, backflow, gas fitting, roofing and business based units; this course will qualify you for plumbing licences with the Victorian Building Authority: Plumbing Division (formerly Plumbing Industry Commission).

Students have the option of completing the course in full, or enrolling in specific units pertaining to a particular licence. By doing so you can qualify for the licence you need, when you need it. In no time at all, you may find yourself self-employed and inundated with opportunities.

Course Outcomes and Career Opportunities

If you are eligible, the government will contribute to the cost of your training. Check your eligibility
2. Government Subsidised Concession Fee - if you are eligible for a Skills First government-subsidised place and hold a current healthcare or pension card, that you can provide at enrolment. You may be eligible for the concession rate. Find out more about concession rates

Any resource or material costs, or booklist items for this course are listed in the table below.
4. Full fee - If you are not eligible for a Skills First government-subsidised place, exemption, concession or are enrolling in a course that isn’t government-subsidised, you may be required to pay the full fee rate.
