Course Overview

This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.

Study from home during COVID-19 restrictions

Whilst we pride ourselves on our hands-on training, we have had to adjust most of our courses for study from home and remote learning during the COVID-19 restrictions. This means courses will be delivered using a range of methods including online learning, virtual classrooms, workbooks and direct contact with your teacher.

Given the government restrictions that are now in place to reduce the spread of coronavirus in Australia, we expect this new model of study will continue until the government makes changes to these restrictions.

Introduction

This apprenticeship allows you to gain hands-on skills and experience while working in the industry. You will learn all aspects of barbering including cutting, men's grooming, shaving heads and faces, maintaining beards and moustaches

This course will provide a pathway to employment in the barbering industry as a qualified barber.
