Course Overview

This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.

Study from home during COVID-19 restrictions

Whilst we pride ourselves on our hands-on training, we have had to adjust most of our courses for study from home and remote learning during the COVID-19 restrictions. This means courses will be delivered using a range of methods including online learning, virtual classrooms, workbooks and direct contact with your teacher.

Given the government restrictions that are now in place to reduce the spread of coronavirus in Australia, we expect this new model of study will continue until the government makes changes to these restrictions.

Introduction

This is a rewarding, creative course which gives you the opportunity to enter the barbering industry with confidence, passion and flair.

Working hands-on in our salons you will learn all aspects of barbering including cutting, men's grooming, shaving heads and faces, maintaining beards and moustaches along with free access to up-to-date workshops with our industry partners. Pure Academy is an encouraging environment where you will discover skills and talents and fulfil your dreams with a rewarding new career.

The course will provide opportunity for plenty of experience with clients, working in both the Pure Academy and Pure Living salons with real clients.
