Course Overview

This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.

Introduction

Start a career with excellent job opportunities.

Right now there are up to 600 traffic controller jobs advertised in Victoria.

The Traffic Management Skills Set Training provides the required skills and knowledge for Traffic Controllers to enable works to be conducted safely by minimising the risks associated with traffic movement.

What will I Learn?

During the program participants will complete units covering a range of topics to get them job-ready:

- Using a stop-slow bat
- Understanding the role of the traffic controller
- Setting up traffic management plans
- Monitor a work zone traffic management plan
- Close down a traffic management work zone
- Theory and practical activities

Course Outcomes and Career Opportunities

Successful completion of this course will give you the skills to gain employment as a Traffic Management Controller.

You will also receive a Statement of Attainment for nationally accredited units listed in the units offered section below.

Course Requirements

This section gives you an overview of entry requirements, course units and electives, skills recognition, and assessment criteria.

Units offered

Elective Units

Unit Code	Unit Name	Unit Hours	Unit Consumables
-----------	-----------	------------	------------------

RIIWH5205E	Control traffic with stop-slow bat	20	\$0.00
RIIWH5302E	Implement traffic management plans	20	\$0.00

Assessment

This course involves accredited units. You will be required to complete assessment tasks to demonstrate your underpinning knowledge, skills and attributes to meet the course outcomes. A combination of written, oral and practical assessment strategies will be used in either a classroom, online or workplace environment.

Where units require demonstration of skills in a workplace environment, you will have the opportunity to do this either in your own workplace (where appropriate), through a practical placement, or by using one of the Institute's simulated workshops/classrooms. Detailed information about the types, conduct and dates of assessments will be provided in advance. You will also be provided with information about the opportunity for reassessment and appeal.

After applying

Once you have applied for your chosen course, you will receive a thank you email from South West TAFE with a few steps to help process your enrolment.

Complete a Pre-Training Review

You will receive an email to complete a Pre-Training Review online evaluation. This evaluation helps us tailor your training to suit your needs.

Create or provide a Unique Student Identifier (USI)

A USI is a nationally recognised reference number that provides an online record of your training qualifications gained in Australia.
