## Course Overview

*This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.*

### Study from home during COVID-19 restrictions

Whilst we pride ourselves on our hands-on training, we have had to adjust most of our courses for study from home and remote learning during the COVID-19 restrictions. This means courses will be delivered using a range of methods including online learning, virtual classrooms, workbooks and direct contact with your teacher.

Given the government restrictions that are now in place to reduce the spread of coronavirus in Australia, we expect this new model of study will continue until the government makes changes to these restrictions.

### Introduction

If you are currently working on a farm, this course will provide you with an understanding of the safe operation of tractors and front-end loaders in any given situation, with or without attached equipment. You will learn skills to safely use the various components and controls of a tractor and front-end loader. The course also includes procedures and guidelines, occupational health and safety, and risk management information.

During the two days of face-to-face training, you will be assessed over a range of surfaces, weather and terrain conditions, with a two-week gap in between the two days.

### What will I Learn?

- prepare a tractor for operation
- prepare a front-end loader for operation
- operate a tractor
- operate a front-end loader
- complete a tractor operation
- complete a front-end loader operation.

### Course Outcomes and Career Opportunities

On successful completion, you will receive a Statement of Attainment for this course, which may contribute to the award of an agriculture qualification.

# Course Requirements

*This section gives you an overview of entry requirements, course units and electives, skills recognition, and assessment criteria.*

## Entrance requirements & pre-requisites

You must be at least 16 years of age and currently working on a farm.

## Units offered

Name	Code
Operate tractors	AHCMOM202
Conduct front-end loader operations	AHCMOM207

## Assessment

This course involves accredited units. You will be required to complete assessment tasks to demonstrate your underpinning knowledge, skills and attributes to meet the course outcomes. A combination of written, oral and practical assessment strategies will be used in either a classroom, online or workplace environment.

Where units require demonstration of skills in a workplace environment, you will have the opportunity to do this either in your own workplace (where appropriate), through a practical placement, or by using one of the Institute's simulated workshops/classrooms. Detailed information about the types, conduct and dates of assessments will be provided in advance. You will also be provided with information about the opportunity for reassessment and appeal.

## After booking

Once you have booked your place in a short course, you will receive an email confirming the date, time and location of the course, and instructions on the next steps of your enrolment process. A tax invoice/receipt is automatically emailed to you at the time of purchase.

If you don't receive this email within a day of booking, check your junk mail or contact [short.courses@swtafe.edu.au](mailto:short.courses@swtafe.edu.au).

### Complete a Pre-Training Review

You will receive an email to complete a Pre-Training Review online. This evaluation helps us ensure you receive any necessary support to achieve a successful outcome for your course. Failure to complete will incur a \$20 administration fee for a booking cancellation or transfer.

### Create or provide a Unique Student Identifier (USI)

A USI is a nationally recognised reference number that provides an online record of your training qualifications gained in Australia. [Create your USI online](#), or already have a USI but can't remember it? [Find your USI online](#).

### Skills recognition

If you have experience or prior qualifications, you may be eligible to apply for [recognition of prior learning](#) and gain credits. You will be asked to provide any relevant Statement of Attainment to support identified credits.
