Course Overview

This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.

Introduction

You will learn one of the latest innovations in nails- Acryl-Gel.

Acryl Gel takes nail enhancements to a new level, creating enhancements with forms, tip and overlay techniques. Presented by award winning nail technician Jade Muller, this course will teach you how to apply, remove and maintain Acryl Gel nail enhancements. This system is an Acrylic plus hard Gel base that is created for easy applications of natural nail overlays, nail repairs, sculpted nail extensions, tip and overlays, as well as an application method specific to this system- Dual Tips. Acryl Gel is flexible, yet a hard wearing system.
