Course Overview

This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.

Introduction

If you have previously completed a traffic management course, you should keep your certificate current by taking a refresher course every three years. This course will update your skills and knowledge of the rules, regulations and processes required of a traffic controller.

What will I Learn?

- legislation relating to all areas of working in the traffic management industry
- industry knowledge and best practice
- practical skills to set up traffic guidance schemes
- practical skills to safely and effectively control traffic through and around a worksite.

Course Outcomes and Career Opportunities

On successful completion, you will receive a confirmation card indicating that you have completed the Traffic Management Refresher course. This card is valid for three years.
